2014 National YMCA Championship Team and younger SSTY champions

Schroeder Enjoys A Great Year!

2013 - 2014 was filled with many great moments in and out of the water.

Out of the water: We kicked off last summer with a great golf outing and the SCY season with the annual spaghetti dinner. The team enjoyed holiday cookie exchanges, dinner after the Big Cheese win, and more spaghetti before Y State. SSTY successfully hosted four major meets which all ran very smoothly.

For the Walter Schroeder Aquatic Center, significant sections of roof were replaced, two MKE CO pools were rescued from the budgetary axe and the pool endured a very cold winter with no days closed! After a long successful partnership with TYR, SSTY welcomes Speedo to outfit our athletes in industry leading equipment for the future.

In the water: 2013 - 14 was another year of significant growth and achievement. The Schroeder YMCA Swim Team now has over 300 member-athletes with over 200 athletes based at the WSAC and more than 100 based on Milwaukee's south side! Schroeder's swimmers enjoyed a great long course season. Outstanding performances were had at the State, Sectional and National levels making 2013's results memorable & fun. SSTY had 6 at Nationals, 6 at Zones, 48 at State, 8 at US Open and 4 at the USA Jrs. Schroeder was the National Champion again in the men's 4 x 100 M.F.R., and Alex represented the US in Dubai, UEA at the World Jr Championships.

During the 13-14 short course season, Schroeder made splash at Mpls Grand Prix, Winter Nationals, and

in OKC. The team captured both WI State meet titles!, finished 7th in combined team scoring at the National YMCA meet and won the Big Cheese meet for a 2nd year. The team record board took a beating all year long (Female SCY 19 Ind, 8 Relay, Female LCM 21 Ind, 3 Relay, Male SCY 1 Ind, 2 Relay, LCM 7 Ind, 2 Relay) and many were also State Records as well!

A Look Forward to '14 - '15

The team will be well represented in the summer's major meets which include, USA Nat & USA Jr, the Summer State Meet, and Sectionals. Hopefully, SSTY will place athletes on Team USA's summer squads again! October will bring a new hosted meet the GMO (Greater Milwaukee Open.)
