Schroeder Enjoys A Great Year!

Out of the water: Our 2nd annual Build the Future Campaign was very successful and the pancake breakfast was a fun way to celebrate this achievement. In the fall, the first four weeks at both AP and WSAC, were dedicated to daily discussions about the Schroeder Way which emphasizes the theme Be Great, Act with Integrity, Expect Success, and Team First.

Coaches continually reinforce and relate concepts learned in training and racing to transferable skills athletes can use later when taking tests, interviewing for jobs or being successful in college and beyond.

In the water: Last year we had just settled into the wonderful Aug Prep pool! Hard to believe it's been home for 18 months!

Last summer, a group went to a big invite in San Antonio, the team traveled and swam very well at the summer Speedo meet in Iowa City and then raced very well at the 13 & Over State meet. Hannah and Cassandra raced successfully at Summer Nationals.

The fall saw the boys win the polo match in an overtime effort and conclude the fall with a great Y Invite. December brought Winter Nationals for Megan and the team that traveled to Dallas had a very solid meet.

The spring concluded with great meets in Pleasant Prairie, at home for Y State and in Greensboro with good results and great teamwork at the National YMCA Championship meet.

WE ARE SCHROEDER

2018 - 2019 Season

"promote excellence, prepare youth for college and ultimately, prepare them for success in life"

2019 - 2020 WILL BE ANOTHER GREAT YEAR FOR SCHROEDER !
